

PATENT

REMARKS

The specification is amended to correct formal matters, in particular to recite reference numbers consistent with the drawings.

Applicants appreciate the allowance of claims 1-49. Although Applicants believe that the claims are allowable over the art of record, the reasons for allowance stated in the Office Action do not coincide with the allowed claims. Applicants do not acquiesce in additional limitations included by the reasons for allowance stated in the Office Action.

In summary, claims 1-49 are in the case. All claims are believed to be allowable over the art of record, and a Notice of Allowance to that effect is respectfully solicited. Nonetheless, if any issues remain that could be more efficiently handled by telephone, the Examiner is requested to call the undersigned at the number listed below.
